

Annapolis Valley Campus

Greetings from the Annapolis Valley Campus!

NSCC is promoting early access for students accepted and confirmed to Fall 2010 programs.

COMP 1217 is an introductory course that focuses on the use of computers as a communication device. This course is designed for students in need of foundational computer skills, and covers windows, word processing, Internet, and E-mail. Listed below are links to the NSCC website that provide more information about the course and on the topics that are covered on the computer challenge assessment.

- COMP 1217, COMP 1101, COMP 1102 - Challenge

Many students “challenge” COMP 1217 based on their current knowledge. Your tuition for 10/11 covers the cost of the challenge assessment and/or the course. To better serve students who have a solid working knowledge of Windows, Word Processing, Internet and Email, we have scheduled **two times at the Annapolis Valley Campus, 295 Commercial Street, Middleton, NS**, at which you can challenge this course. These times are:

Date	Time
August 25, 2010	1 - 3 pm
August 25, 2010	4 - 6 pm

To register for the **Computer Challenge Assessment**, please contact us by calling 825-2930 or by emailing avc.info@nsc.ca before the dates noted above.

Applies to the following programs at the Annapolis Valley Campus:

- Continuing Care - Middleton
- Continuing Care - Digby
- Esthetics
- Plumbing

Please note:

- If you live closer to another campus, you can take this assessment wherever it is most convenient. Please contact the local campus, or contact us and we can help connect you with another campus.
- If you are not able to take the Computer Challenge Assessment on the dates listed above, **it will be available during the first two weeks of your program.**

We look forward to meeting you!
