

Nova Scotian Employer Websites

Home Page: www.servicecanada.gc.ca

Service Canada's Nova Scotia Website

www1.servicecanada.gc.ca/eng/gateways/where_you_live/regions/ns.shtml

Service Canada's Nova Scotia website provides information on the Labour Market, Job Listings, Career Assistance and information on Service Canada's Programs and Services.

Canada Site

www.Canada.gc.ca

This site is the primary Internet gateway to information about Canada and about the Government of Canada and its programs, services and initiatives.

National Labour Market Information (LMI)

labourmarketinformation.ca

This site gives you information on industries, occupations, upcoming opportunities, employment trends and the new world of work. The Occupation Summaries provide many details on over 500 occupations in NS.

The WORK Place

The WORK Place

www1.servicecanada.gc.ca/eng/ns/lmi/workplace/theworkplace.shtml

One-stop resource that gives direct access to daily want ads from 40+ major daily newspapers all across Canada and work opportunities in Canada and beyond. Resume writing tips, preparing for an interview and more.

Industry Canada

Strategis.gc.ca

From the main menu of Industry Canada's website, you can link to company directories and search the Canadian Company Capabilities database. Select by sector and province. Access a short or detailed company profile to get excellent job search information.

NS Manufacturer's Guide

www.gov.ns.ca/finance/publish/pub01.htm

On this NS Dept. of Finance site, you can find the 1998-99 NS Manufacturer's Guide. The entire guide is on-line. In order to download the guide, you must have Adobe Acrobat. Company listings in the guide are categorized by product/ service rather than geography.

Yellow Pages Company Search

www.yellowpages.ca

This is an excellent source for searching companies at a national, provincial or local level. The search is by keyword related to the company sector and you can also get a street map for a specific company.

Company Profiles & Maps

www.infospace.com/canada/

Link to the Canadian home page of this site and access the Business search, where you can search by community, province and business sector

Nova Scotia Association of Regional Development Authorities

www.nsarda.ca/

The **Nova Scotia Association of Regional Development Authorities (RDA)** has links on this site to all the RDA's in the province. Some RDA's will include a business directory on their site. There are also links to local community websites that also may provide business information.

Local Sites

www.localsites.ca

From this site, link to the **Business Directory** to identify employers. The search index is arranged categorically as well as alphabetically, allowing you to search occupationally relevant employers.

Cumberland Regional Economic Development Association

www.creda.net

The **Cumberland Regional Economic Development Association** provides an on-line Business Directory to many local area businesses. These entries are categorized by sector and if applicable, the listing will link to the company website.

Yarmouth Region Yarmouth Business Links

www.yarmouthonline.ca

An example of a local community website, there are business links to Yarmouth area companies.

Working Canada

working.canada.com

Find the company or recruiter that best suits your career needs. Searchable database found in Company Profile section.

Monster.ca

www.monster.ca

Research today's top employers and discover what these companies are about and what they can offer.

Workopolis

www.workopolis.com

This site is one of Canada's biggest job sites, now hosting 25,626 jobs. You can also create and post your resumes for employers to view.

Kings Community Economic Development Agency - Business Directory

www.kingsced.ns.ca/inside.asp?cmPageID=213

Kings County On-line Business Directory. Kings CED's mission is to provide a structure and forum to facilitate community economic development, which includes all those activities, both acceptable and sustainable, that contribute to the economic, environmental and social well-being of the community of Kings County.
