

REGION OF QUEENS MUNICIPALITY JOB OPPORTUNITY

PLANNING / DEVELOPMENT TECHNICIAN

The Region of Queens Municipality is looking for a dynamic individual to join our municipal team.

The mandate of the Region's Planning Department is to provide direction and leadership in the achievement of a detailed Land Information Management System to meet the changing needs of the Region's Council, staff, and the public. The Department is responsible for:

- Administration of Municipal Planning Strategies (MPS) and Land Use Bylaws (LUB);
- Administration of the Region's Subdivision Bylaw;
- Administration of the Region's Civic Numbering System; and
- Maintaining a comprehensive Geographic Information System (GIS).

Location: Liverpool, Queens County, Nova Scotia

Primary Responsibilities of Planning / Development Technician:

- ❖ Assist the Planner and Development Officer in the operation of the Planning Department;
- ❖ Administration of the Region's GIS;
- ❖ Administration of the Region's Civic Numbering System;
- ❖ Data acquisition using a global positioning system (GPS).

Preferred Qualifications:

- ❖ Minimum of two (2) years experience in a municipal planning environment;
- ❖ University degree or technician diploma in Planning and/or Geographic Information System, or an equivalent combination of both;
- ❖ Advanced training and experience in GIS (**MapInfo**) software and GPS (**Pathfinder Office**) software;

The salary range for this position is \$31,121 to \$37,828.

A detailed job description is available by contacting (902) 354-3455.

Please submit a detailed resume, with references, to the undersigned on or before September 28, 2007.

Mike MacLeod, Planner
